## A group for Little Ones (0-3) and their adults!

Looking for a way to connect with other parents, help your little one make new friends, experience a little Shabbat ruach, and share a little parenting wisdom? Join us for our new Thursday morning Shabbat Parent & Me class!

We will enjoy developmentally based indoor and outdoor play, an art experience, some Shabbat-themed music and movement, and a little pre-Shabbat celebration and snack. We will also discuss different parenting topics in a warm, inclusive and supportive environment.
